Vehicule Press, Canada, 2013. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. The poet s fifth collection is a series of centos that, on one level, draw inspiration from a traditional Newfoundland craft. Like a hooked rug made up of strips of fabric cut from old clothes, the cento is stitched together from lines scissored out of other poems. Dalton s centos range across continents and epochs, rummaging among poems contemporary and canonical in celebration of the combinatory energies of language. As her lines hook together syntactically and emotionally, they create a striking music, by turns subtle, startling, and dazzling.
