The Great Einstein Hoax (Paperback)

By Herb Rose

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Theoretical physics has become a modern version of the Emperor's New Clothes where ridiculous and absurd theories are proposed and accepted because doubting them would indicate some mental impairment or lack of knowledge. Physicists have abandoned reason and reality and turned physics into a make believe science where illusions are created to support their delusions. In a science that is supposed to be based on observation and experimentation the acceptance of a conclusion that experiments know if they are being watched and change the results when observed invalidates all experiments and observations. This degeneration of physics from a science to fantasy is a result of Einstein's theories. His general and special relativity theories are based on the assertion that the speed of light is constant in a vacuum and cannot be exceeded which he proposed in his theory of the photon and for which he won a Nobel prize. The photon was proposed as a solution to the problem of the photoelectric effect and define the nature of light. Light was known to be an...
