Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Not illustrated. 1920 Excerpt: . . . of the associatio experts who do it for the members of the association and not, as i case at present, by experts employed to do this service for those whc and handle the farmers cotton or other crops for themselves and for own profit, which is legitimate and proper, but through cooperative keting the farmer is able to do all of these things for himself thr group selling. 8. After the crop has been delivered to the association and grades warehoused, it is then sold gradually or in an orderly way in large li the large manufacturers, buyers and exporters of the crop. Manufact use cotton and tobacco every month in the year and instead of dun these crops on the market in from four to six months as is the case they will be sold gradually as the markets will take them throughou year, around one-twelfth each month in the year, carrying over wha is necessary to be carried over, and having the carry-over in mind it ducing the next years crop. This will enable the growers to have inf tion collected through their associations as to supply and demand a enable them to adjust production to demand. Payment would be made for the crops in the various pools as sole one-twelfth of each pool was sold each month, then the grower hav crop in that pool would receive one-twelfth of what it brought each ni less the actual cost of selling, and at the...
