## FINDING MELISSA

Fitzhenry & Whiteside. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. Newspaper clipping, June 20, 1990. On Sunday two and a half year old Melissa Warren disappeared while her parents were tenting at a campground near the North Thompson River. Search parties failed to locate the little girls body in the dense bush around the campground. The proximity of the river raised the possibility that she had been swept away by the rushing water, still high from Spring run-off and flooding. Her dad is gone now leaving her with a mother who cant forgive her for surviving. She had always thought that her mothers favourite was her little sister and nothing has changed now. Melissa still gets 100 of her mothers attention even twelve years after her disappearance. Her mother cant give up hope that someday Melissa will come home.
