

Who's That Sleeping in My Bed?: The Art of Successful Relationships for Grown-Ups

By Keren Smedley

Headline Book Pub Ltd, 2009. Taschenbuch. Book Condition: Neu. Gebraucht - Sehr gut ungelesen, sehr guter Zustand; Rechnung mit MwSt.; unused/unread, very good condition; - Whether it's about starting again after the end of a long-term relationship, helping adult children come to terms with the end of old relationships, or coping with issues connected to same-sex relationships in later life, this guide addresses a huge range of questions. Like an extended advice column for boomers, this book will engage and inform both those who wish to tackle problems in their own lives, and those who simply wish to be entertained by the rich variety of life. Being over 50 is not what it used to be: it does not mean giving up on sex and love. And the baby boomers--heirs to the sexual revolution of the 1960s--approach sex and relationships in a very different way than previous generations, continuing to want to be vital and sexual and encounter new options and problems. 307 pp. Englisch.
