Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

BRIMSTONE ANGELS: LESSER EVILS (PAPERBACK)

Wizards of the Coast Publishing, United Kingdom, 2013. Paperback. Book Condition: New. Reissue. 174 x 106 mm. Language: English . Brand New Book. Well, I m now behind on my own writing, because I couldn t tear myself away from Lesser Evils. Then again, I m only behind by a single day--because I really couldn t tear myself away from Lesser Evils. If the next one s not out until tomorrow, it s still too far off. And if Evans is not already a name spoken of as part of the true Forgotten Realms pantheon, along with Kemp, Cunningham, and Salvatore, it can only be because she has fewer books out, and thus hasn t reached everyone yet. -- Ari Marmell, author of Agents of Artifice, The Conqueror s Shadow, and the Widdershins Adventure series Lesser Evils is incredibly immersive and technically brilliant. I love the complex characters and layered plot, and the dialogue is sharp, natural, and brimming with personality. It s one of those books where you forget about the fact that you re reading a book, and just experience the story as though you were there. Erin M. Evans has a rare talent. She s one to follow for sure. --Susan J. Morris, author of Writers Don t Cry column on Omnivoracious, an books blog Lesser Evils will leave you begging for more from Erin M. Evans. Intrigue upon intrigue and a host of unforgettable characters interwoven into a plot that is riddled with heart-stopping action. Who could ask for more! --Chris A. Jackson, award-winning author of Scimitar Moon Overview: Mere weeks after escaping Neverwinter, Farideh s dreams are still haunted by Lorcan, the cambion devil whose power fuels her own. One of only four known descendents of the original Brimstone Angel, Farideh has no regrets about the...
