

Buddhist Essays (Classic Reprint) (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Buddhist Essays The following essays contain nothing new or original concerning Buddhism, but they may perhaps serve to render easier the understanding of some so-called obscure points in the teaching of the Buddha. What claim - if any - this work may have to superiority over many others upon the same subject, rests in this that it is the outcome, not only of the study of books, but also of personal intercourse with native scholars both in Ceylon and Burma. The quotations, where no other sources are given, are for the greater part taken from the Middle Collection of the Second Book of the Pali Canon - the Majjhima Nikaya - which, in K. E. Neumann's beautiful translation, is by far the richest mine of Buddhism that has been made accessible to us during the last decade. So far as has appeared necessary to a full understanding of the text, references in the original tongue have been added, but as the book is designed for the lay reader alone, no particular effort has been made to meet the demands of an exacting scholarship. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state...
