"America's Old and New Public Philosophy" pp. 3-6, 43, and 50-56 in The End of Liberalism (Norton, 1979). Avigail Eisenberg, Reconstructing Political Pluralism (SUNY Press, 1995), pp. 1-12. William E. Connolly, Pluralism (Duke. 2005) pp. 1-10. The readings here include classical statements about the nature of political philosophy and theory (by Strauss and Wolin) and about the nature of ideology (by Shklar). Rawls provides a nice statement about the importance of political theory that instructors could find useful for addressing the resistance that many students bring to their first encounters with abstract theory. The readings by Sandel and Lowi are from...
