Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

TECHNOLOGY ACQUISITION: BUYING THE FUTURE OF YOUR BUSINESS

Addison-Wesley Professional. Paperback. Book Condition: New. This item is printed on demand. Paperback. 208 pages. With proven, step-by-step solutions, this unique and practical book shows information technology (IT) project managers how to acquire the right technology from the right vendor at the right price for their business. There are numerous project management books on how to build technology, but the increase in project failure, limited resources, and accelerated change in systems and platforms has forced IT managers to move from building to buying technology, thereby shifting substantial risks to third parties. Allen Eskelin, drawing on his own experience managing acquisition projects, thoroughly explains each task required to buy technology successfully from outside vendors. Technology Acquisition covers all facets of technology acquisition management, including the people dynamics that can make or break a project. The book offers useful templates, example documents, checklists, and schedules that guide you through the entire procedure, as well as case studies to illustrate the processes described. These processes include: Initiation--creating and chartering a project to address your business needs Planning--organizing teams; defining and prioritizing requirements; identifying vendors Research--gathering information on vendors and their technologies Evaluation--interpreting the results of research; selecting a vendor Negotiation--defining a negotiating strategy; planning the negotiation; negotiating successfully Implementation--developing, testing, and deploying vendor solutions Operations--managing an ongoing process to extend the life of the product [http: www. technologyacquisition. com](http://www.technologyacquisition.com) provides a forum for sharing experiences in project management. It also updates and supplements information on topics covered by the book. This item ships from La Vergne,TN. Paperback.
