But the real worth of Just Add Hormones stems from its thoughtful analysis--at times philosophical, at times political, and at times polemical--of a life-changing decision." --Richard Labonte, Q Syndicate "A heartfelt plea for mainstream American society to understand, accept and support gender diversity . . . Kailey describes all with frankness, engaging his reader with honesty and a touch of humor." --Kirkus Reviews "This book is a natural for the gender issues shelves." --Booklist "Anyone who has ever contemplated, is just curious..."

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
