Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Post-Mortem Examinations: Especial Reference to Medico-Legal Practice In the following paper Prof. Virchow gives some account of his early experience as Prosector in the dead-house of the Berlin Charite Hospital, and traces the subsequent development, under his auspices, of a systematic method of conducting post-mortem examinations. He also criticises, explains, and illustrates the regulations which have been promulgated throughout Germany for the guidance of medical jurists in performing autopsies and drawing up reports. (Regulativ fur das Verfahren der Gerichtsartzte bei den gerichtlichen Untersuchungen menschlicher Leichname. Herausgegeben von der Konigl. wissenschaftlichen Deputation fur das medicinalwesen, 8, 1875.) He also gives three interesting cases in which the post-mortem examinations were performed by himself, the order of sequence enjoined by the regulations being closely adhered to. An examination of these cases will show that nothing has been omitted which could throw any possible light on the cause of death. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
