Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Creating the Good Life is a proven and practical guide to personal and financial success written by a 71-year-old author who, in his own quest for personal success in all parts of his life, has spent more than 50 years researching and personally testing the wisdom and methods of hundreds of the world s great authors who have written the most insightful books on either of the two seemingly different subjects of behavioral psychology or financial success. The techniques and methods suggested by the author are also the result of over 25 years of experience as a Certified Financial Planner practitioner whose total focus has been dedicated to guiding clients in their own personal quest of making their dreams come true in the swiftest and most certain ways. The author s intent is to share his decades of experience with as many individuals as possible in the hopes that each reader s personal quest for success will be more swift and certain based upon the directions, methods and guidance so clearly given. This is a book whose best legacy will be that it is passed on from generation to generation.
