FARMCALL FATALITY (PAPERBACK)

Brand New Book ***** Print on Demand *****.In this first book of the Mandy Bell DVM series, Mandy is summoned to a small Midwestern town called Crestview. A colleague and classmate from vet school has passed away and left her veterinary clinic and house to Mandy. While Mandy has always been a traveling vet in her motor home, she finds herself drawn to the Midwestern hospitality that the town shows her and her sidekick Border collie, Lyle. Unfortunately, on one of her farm calls, she discovers a body that turns out to have been murdered. She is determined to solve the murder to clear the name of the quaint little town. She uses her own intuition and careful questioning of townspeople and clients to piece together the culprit at fault. Lyle is by her side through the whole book, including at the town s Halloween Hoedown, where she gets into trouble of her own. Read on to experience life as a small town veterinarian with a knack for solving murders.
