Womens Wellness Publishing. Paperback. Book Condition: New. Paperback. 134 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. Do you want to sail through your late 30s, 40s, 50s and beyond, enjoying radiant health and well-being, free of tiredness, insomnia, memory loss, anxiety and depression? Then, **Healthy Natural Estrogens for Menopause** will provide you with the essential support that you need. These natural estrogens are also very beneficial during your late 30s and 40s when your own levels of this essential hormone are beginning to change during perimenopause. Written by Susan M. Lark, M. D., one of the most renowned women's alternative medicine experts, this book provides the most up-to-date and essential information on healthy, natural estrogens. Millions of women have turned away from using conventional estrogen replacement therapy with its many side effects and health issues like increasing the risk of heart disease and breast cancer, and are looking for safe, effective alternative therapies. This book is based on Dr. Lark's extensive experience using natural, alternative hormone therapies that has brought relief and healing to many thousands of her patients with low estrogen levels. It is also based on her thorough knowledge of the medical and alternative research in this field. The lack of estrogen creates many uncomfortable symptoms including hot flashes, insomnia, mood changes, anxiety, depression, loss of sex drive, memory loss, wrinkling and thinning of the skin and weight gain. The incidence of osteoporosis, heart disease, high blood pressure and arthritis also increases dramatically as estrogen levels diminish. Her patient Maria was distressed by her lack of energy and loss of sex drive, while Tamara consulted Dr. Lark because her low estrogen levels were causing hot flashes and sleepless nights. Judith came to see her because she had low bone density and was concerned about her weight gain and...
