Researching the City: A Guide for Students

By Kevin Ward

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Researching the City: A Guide for Students, Kevin Ward, "An invaluable guide to urban research design for undergraduate and graduate students alike. Writing in a friendly, conversational, tone Kevin Ward and an impressive collection of influential urbanists provide the novice researcher a wealth of practical advice on theory, methods, writing style, and everything else one needs to know to design and manage a successful urban research project. I wish this book had been available when I started my research career!" - Byron Miller, Director, Urban Studies Program, University of Calgary "Extends a warm welcome to students who have come face-to-face with the daunting task of producing a dissertation. This thoroughgoing collection deals with the nitty-gritty of researching the city: how to get started, what goes in a literature review, what methods would best suit the project (chapters on an array of different methods are offered) and strategies for writing up. All-in-all, this book is not only a must-have for the student, but also for those of us looking to give sound, supportive and practicably useful guidance to our students" - Kim England, University of Washington This practical guide for students focuses...
